Dear Ambassador Kouliev,

Thank you for all that you are doing to create a more peaceful, just and sustainable world for us all. Thank you also for your nation's support of Resolution 52-15 declaring the Year 2000 as the International Year for the Culture of Peace and Resolution 53-25 declaring the first decade of the 21st century for the culture of peace. What better way to begin the year 2000 - a monumental year of education and transformation for a better world than with a worldwide day of peace. To date, more than 1000 non-governmental organizations in over 130 nations are co-sponsoring the One Day In Peace, January 1, 2000 campaign - a global initiative for a worldwide armistice day and day of peace in our homes our communities and between nations. In addition, we have so far received letters of support from 28 Heads of State or other national representatives.

With 70 days until January 1, 2000, this campaign needs YOUR support. With your endorsement, the co-sponsoring NGOs in your nation can better spread this message of hope for a new beginning of local and global cooperation for a better world. Together we can begin a New Millennium in the spirit of peace, friendship and understanding.

If you wish, I would be happy to meet with you to discuss this initiative further.

May Peace Prevail On Earth.
