Dear Mr. Silverstein,

I am pleased to acknowledge the receipt by this office of your letter dated 28 May 1997 addressed to President Maumoon Abdul Gayoom.

His Excellency has asked me to inform you that the government of the Maldives gives top priority to peace in all aspects of human life, and in the conduct of international affairs. As such, the government has always supported and contributed, wherever possible, to regional and international endeavours for the prevention and resolution of conflicts and for the preservation of peace. The government of the Maldives is also deeply concerned about the increasing ethnic, religious, social and cultural strife challenging peace in the world.

Yours sincerely,

Abdulla Shahid
Executive Secretary to the President
