# One Day In Peace, January 1, 2000!

Dear Ambassador,

Thank you so much for passing Resolution: 52/15 declaring the Year 2000 as The International Year for a Culture of Peace. A growing worldwide movement seeks to use the symbolic spirit of this monumental year as a turning point in human history - an opportunity for a new beginning for our global community. What better way to begin this year of education and transformation than with a day of peace. So far, more than 20 Heads of State have pledged their nation's support for *One Day In Peace, January 1, 2000*. During the CountUP to One Day In Peace (and Beyond...) we can make EVERY DAY COUNT for co-creating a better world together.

The One Day In Peace, January 1, 2000 campaign is led by a loose network of organizations all around the world, including many UN NGOs, such as Pathways To Peace, The Lifebridge Foundation, The World Peace Prayer Society, Nuclear Age Peace Foundation, and the University For Peace.

Please urge your nation to support this worldwide initiative.

*May Peace Prevail On Earth*

We support ONE DAY IN PEACE, January 1, 2000!
